

RUMBA Meeting

April 6, 2009

6:37 Board Meeting

Nominating Committee will consist of Becky & Bridgett and will start searching for new officers (Mando would like to continue to be active but not as Pres.)

The District is offering a service contract to bands that covers expenses for \$10,400 but includes things that we would not necessarily use so we will probably not take it. We would have to pay that money up front, or we can continue to pay as we go. Probably won't take the package.

We will have a BBQ at AUTS with Tom cooking: Burger, chips, and kool-aid for \$9.00 as a fundraiser (est. 400 burgers).

We recently purchased 2 grills but now we will not have Tom to cook during marching season. The grills will be returned and we will purchase a drum major conducting stand instead.

Sylvia Hamilton has done a lot of volunteer work over the years and it is felt she should be specially recognized.

Becky moved to add line item to the budget to cover misc. incidentals (such as gifts, flowers, cards, etc). It was seconded and approved.

7:10 General Meeting called to order.

Minutes of the previous meeting were approved.

President: Site Council update – repeated info about the “service contract” (see above); NO band cuts are anticipated by the Rincon principal.

Need to start working on next year – need new president, vice president (we have a Nominating Committee) and get going on the fundraising, Sun Con.

Vice President: No report

Treasurer: IMF – stable

General Acct. - \$16,000 to start next year. Band camp will need to pay for 10 – 11 staff @ \$300 – 500/staff member, truck rental \$500, scholarships, State Competitions. We will be going to State but Prescott is questionable. All these things will have to come from funds we raise during the year. Mando will look into a Chick-fil-a fundraiser where we pass out flyers and the restaurant gives the band a percentage of the take. This will take place before the end of the school year. We need a Fundraising Committee to get working on future fundraising now.

Other reports:

Director: Band Camp – first payment due this coming Fri (Apr. 10).

4/22 next concert – we should do a bake sale (Becky in charge) and sell dvds from Carnegie as well as spirit items.

Scott Lang will be coming in to do a leadership workshop - \$500 fee for him

Drum Majors for next year: Riley Malloy, Evan Rees, Jule Streety.

Band Camp will last about 3 weeks this year (2 weeks in town).

Upcoming events:

Other Business:

Photo cd from band camp will be added to the band camp form \$6 – 7 (as a fundraiser)
